Gillett Area Ambulance Service, Inc. (GAAS, Inc.) is pleased to announce that we are seeking candidates for paid on premises, full and part-time positions for daytime 911 response and other daily duties and responsibilities as directed.

EMR/EMT/AEMT/Paramedic/RN Eligibility List. Under the direction of Leadership, the Licensed EMS Provider, for 911 activations, performs duties to fulfill working assignments, both while at the station and on emergency scenes. They also perform other related duties as assigned. Other duties can include, but are not limited to, public relations, training sessions, community events, EMS Standby requests, Station duties, etc.

Hourly rates range from \$12.00/hour to \$20.00+/hour. An Employee Assistance Program (EAP) is already in place.

Non-Licensed candidates wishing to become trained and employed may also reach out at anytime via the contact information below for more information. We will consider interviewing and training eligible candidates as the needs arise.

GAAS, Inc. is currently licensed at the Advanced EMT Level and averages upwards of 600 emergency responses annually. GAAS, Inc. is also licensed by Wisconsin DHS to provide BLS interfacility transfers and special request transfers (Hospice or special needs).

GAAS, Inc. is very active in the communities we serve and participates in dozens of events, public relations and school events/trainings throughout the year. We proudly live in and serve the City of Gillett, Village of Suring, Townships of Breed, Gillett, How, Maple Valley, Spruce and Underhill in Oconto County, and the Township of Green Valley in Shawano County.

GAAS, Inc. is proud to be partnered with BayCare Emergency Physician Dr. Kerry Ahrens as our Medical Director. Dr. Ahrens is a tremendous asset to our agency, communities and the state. We work with her and Aurora BayCare Medical Center in Green Bay for ongoing continuing education and license refresher requirements.
